JOSEPH VAN BREDAEL

(1688 - 1739)

Winter landscape

22.5 x 37/80 x 512 min(c8hes)

Oil on panel

17th century

This painting depicts a lively winter
houses with snow-covered roofs, nest
streaked with light clouds and flocks
light, while the bare trees emphasis

In the foreground, peasants, travell
frozen path, pulling carts or leadin
their daily activities, breathe life
witness to a rural world that remain
an atmosphere that is both realistic
